ROSÉ ZWEIFELT 2023

Where Raspberry Dreams Meet Refreshing
Reality.

ORIGIN: Austria, Burgenland

CATEGORY: Dry, Rosé, Still wine

GRAPES: 100% Zweigelt

WINE DESCRIPTION

Light pink, fruity and aromatic with raspberries and strawberries, a hint of herbal spice, fresh and fruity on the palate, lively acid structure, light-footed and easy to drink, charming finish, great drinking pleasure.

VINEYARD

The soil is rich and highly fertile chernozem black earth, resting on a base of limy sediments, with a top layer comprising sand, gravel, and organic matter. Chernozem is renowned for its abundant humus content, making it one of the most fruit-friendly soils in the world.

TERROIR

The soil is rich and highly fertile chernozem black earth, resting on a base of limy sediments, with a top layer comprising sand, gravel, and organic matter. Chernozem is renowned for its abundant humus content, making it one of the most fruit-friendly soils in the world.

VITICULTURE

Throughout the entire year, beneficial cover crops are planted in every second row of vines, with the entire area fully covered for 6 months annually. Careful pruning and early vineyard maintenance ensure the vines remain healthy and vigorous. Moderate leaf removal is crucial to keeping the grapes healthy until harvest in autumn.

FOOD PAIRING

Perfectly paired with poultry, barbeque, vegetables and different appetizers.
