EISWEIN EXQUISIT ROSÉ

2023

Rosé Fascination: Fruity, full-bodied, unforgettable.

ORIGIN:	Austria, Lower Austria
CATEGORY:	Sweet/dessert, Rosé, Still wine
GRAPES:	70% Zweigelt, 30% Merlot

WINE DESCRIPTION

A luminous pink with gleaming golden reflections. Its aroma evokes the essence of a young, premium rosé: strawberry yogurt, Amarena cherry, and candied raspberries, with a subtle hint of orange peel. The palate delights in its full-bodied, velvety sweetness, never overpowering. The journey culminates in a long, fruit-driven finish that leaves a lasting impression.

TERROIR

The soil is rich and highly fertile chernozem black earth, resting on a base of limy sediments, with a top layer comprising sand, gravel, and organic matter. Chernozem is renowned for its abundant humus content, making it one of the most fruit-friendly soils in the world.

VITICULTURE

Throughout the entire year, beneficial cover crops are planted in every second row of vines, with the entire area fully covered for 6 months annually. Careful pruning and early vineyard maintenance ensure the vines remain healthy and vigorous. Moderate leaf removal is crucial to keeping the grapes healthy until harvest in autumn.

VINIFICATION

Gentle pressing of the frozen, whole grapes over a period of 16 hours. Temperature-controlled fermentation and storage in stainless steel containers. Fermentation interruption occurs through cooling and filtration.

FOOD PAIRING

Delicate and creamy pastries, fruit tarts, and yogurt creams, accompanied by an array of medium-intense cheeses.
