GRÜNER VELTLINER RIED KREUZKAPELLE 2025

A very special single vineyard Grüner Veltliner.

ORIGIN: Austria, Burgenland, Kreuzkapelle

CATEGORY: Dry, White, Still wine

GRAPES: 100% Grüner Veltliner

WINE DESCRIPTION

This is a very special Grüner Veltliner from an interesting vineyard called "Kreuzkapelle". The terroir & microclimate of the vineyard is allowing the grapes to ripen later and produce fresh, fruity and at the same time elegant characteristics of a Grüner Veltliner.

Aromas of gooseberries, grapefruit & peach pulp are dominant on the nose and the palate. Very creamy mouthfeel, gentle acidity, fine extract of sweetness, clean fruit and a full-bodied yet delicate, long finish.

VITICULTURE

Year round soil cover with plants and greens promoting beneficial insects on every second vine row. Additional cover on other vineyards areas for 6 months a year. Careful pruning and foliage work make for vigorous vines and moderate yield.

VINIFICATION

Gentle pressing of the grapes, temperature controlled fermentation and maturation predominantly in stainless steel tanks and a small percentage (around 10%) have been aged in acia barrels.

FOOD PAIRING

Ideal as an aperitif with some fingerfood, and a perfect companion to fish & sea food or light pasta.

ALCOHOL: 12.5%
