RIESLING SELECTION 2024

Elevate Your Senses with Riesling's Timeless
Elegance!

ORIGIN: Austria, Burgenland
CATEGORY: Dry, White, Still wine
GRAPES: 100% Riesling

WINE DESCRIPTION

Balanced and fruity Riesling with classic Riesling aromas such as peach, apricots and nectarines. Immerse yourself in a symphony of flavors, where the perfect equilibrium of fruit and balance takes center stage. A quite long finish.

TERROIR

Grown on fertile chernozem black soil on a fundament of limy sediments with a top layer consisting of sand, gravel and organic material.

VITICULTURE

Year round soil cover with plants and greens promoting beneficial insects on every second vine row. Additional cover on other vineyard areas for 6 months a year. Careful pruning and foliage work make for vigorous vines and moderate yield.

VINIFICATION

Gentle whole bunch pressing, temperature controlled fermentation; and aged in steel tank

FOOD PAIRING

A Wiener Schnitzel or other traditional Austrian dishes are the perfect food-pairing for this Riesling.

White fish and vegetarian dishes like roasted vegetable with a nice lemon-oil dressing would also be a very good companion.

This Riesling can also be enjoyed without food as a wonderful aperitif.
