RIESLING SELECTION
2025

Elevate Your Senses with Riesling's Timeless Elegance!

ORIGIN:	Austria, Burgenland
CATEGORY:	Dry, White, Still wine
GRAPES:	100% Riesling

WINE DESCRIPTION
Balanced and fruity Riesling with classic Riesling aromas such as peach, apricots and nectarines. Immerse yourself in a symphony of flavors, where the perfect equilibrium of fruit and balance takes center stage. A quite long finish.

TERROIR
Grown on fertile chernozem black soil on a fundament of limy sediments with a top layer consisting of sand, gravel and organic material.

VITICULTURE
Year round soil cover with plants and greens promoting beneficial insects on every second vine row. Additional cover on other vineyard areas for 6 months a year. Careful pruning and foliage work make for vigorous vines and moderate yield.

VINIFICATION
Gentle whole bunch pressing, temperature controlled fermentation; and aged in steel tank

FOOD PAIRING
A Wiener Schnitzel or other traditional Austrian dishes are the perfect food-pairing for this Riesling.
White fish and vegetarian dishes like roasted vegetable with a nice lemon-oil dressing would also be a very good companion.
This Riesling can also be enjoyed without food as a wonderful aperitif.

CERTIFIED 4513126 SUSTAINABLE AUSTRIA

James Suckling 90 Punkte
